Abstract

This document is a test for the simplebibliography package.

Contents

1 Hello world

The phrase Borovik [3] is an example of a bibliographic citation. It cites a book with one author.

The article Bourbaki [4] is a part of a book. The book must appear in the list of references even though it is not cited in this document.

The text Dwyer et al. [5] is a book with four authors.

2 Hello universe

The citation Altenkirch [1] is for an online unpublished article.

The article Farmer [6] was published in a journal.

The citation Bourbaki [4, Section 3, page 55] includes a note about the target location in the cited reference.
